Statement of Relevancy of a Foreign Language References

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

The DE 4228900 reference, which is cited in an Information Disclosure Statement by Applicant filed contemporaneously with this Statement, is being supplied in a language other than in English. The relevancy of the foreign language reference is identified in the Great Britain Search Report issued by the Great Britain Patent Office in a corresponding Great Britain patent application (a copy of which are hereto) which identifies the reference as an "A" reference meaning it is a "document indicating technological background and/or state of the art".

The Mars et al. "Extensions de la SVD aux donnees mutlidimensionnelles: Application a la Separation de Sources" reference, which is cited in an Information Disclosure Statement by Applicant filed contemporaneously with this Statement, is being supplied in a language other than in English. The relevancy of the foreign language reference is identified in the International Search Report issued by the European Patent Office in a corresponding Patent Cooperation Treaty Application (a copy of which are hereto) which identifies the reference as an "T" reference with respect to claims 1-17 meaning it is a "later document published after the international filing date or priority date and not in conflict with the application but cited to understand the principle or theory

underlying the invention”.

Respectfully submitted,
McDONNELL BOEHNEN HULBERT &
BERGHOFF LLP
